

## APOLLO GAMO-330D (ARC/MMA Welding Machine)

**Brand: ELECTRA KOKO TAWA**

**Model Name: GAMO-330D**

### Introduction

The **GAMO-330D Welding Machine** is a versatile and powerful arc welding solution designed for industrial and professional applications. With the flexibility to operate on 220V single-phase, 380V/440V two-phase, or 415V three-phase power supplies, this machine is built for adaptability and consistent performance across various working environments.

### Technical Specifications

Parameter	Unit	GAMO-330D
Input Supply Voltage	V	1 Phase: 220V, 2 Phase: 380/440V, 3 Phase: 415V
Frequency	Hz	50/60
No-load Voltage	V	64
Rated Output Current	A	330
Current Range	A	20-330
Rated Duty Cycle	%	60%@40°C
Cooling System		Fan-cooled
Enclosure Protection Class		IP23
Max Rated Input Current (I <sub>lmax</sub> )	A	33
Max Effective Input Current (I <sub>leff</sub> )	A	18
Rated Input Capacity	kVA	9
Weight	kg	9
Suitable Electrodes	mm	2.5, 3.15, 4.0 (MS/SS)

**UNIT: B-15 Sector-5 Noida**

**Reg. Office: 39, Shradhanand Marg, Delhi-06**

## Key Features

- 1. Multi-Phase Compatibility**
  - Supports 1 Phase (220V), 2 Phase (380V/440V), and 3 Phase (415V) input power supplies
  - Ensures flexibility and ease of operation in diverse settings
- 2. High-Performance Welding**
  - Rated output of **330A**, with an adjustable current range from **20A to 330A**
  - Ideal for both precision and medium-duty welding tasks
- 3. Compact and Lightweight Design**
  - Weighs only 9 kg, making it highly portable and easy to handle
- 4. Energy-Efficient and Reliable**
  - Fan-cooled system ensures optimal performance during extended use
  - Rated input capacity of 9 KVA for energy efficiency and cost-effectiveness
- 5. Durable and Safe Construction**
  - IP23 Protection Class for reliable operation in rugged environments
  - Suitable for 3.15mm and 4.0mm electrodes, accommodating various welding requirements
- 6. Complete Package**
  - Includes welding cable with holder and earthing cable (2.5m + 1.5m) for immediate use

## Applications

- **Industrial Welding:** Medium-duty welding for industrial environments
- **Construction Projects:** Reliable performance for structural welding
- **Repair and Maintenance:** Ideal for workshop and machinery repair
- **Fabrication Work:** Perfect for accurate fabrication tasks

## Benefits

- **Adaptability:** Compatible with various power inputs
- **Portability:** Lightweight for easy transportation
- **Energy Efficient:** Cooling system enhances performance
- **Durable Build:** Rugged and IP23-protected for harsh settings

## Package Includes

- **Power Source:** GAMO-330D Welding Machine
- **Welding Cable with Holder:** 2.5 meters
- **Earthing Cable:** 1.5 meters
