

Electra Koko Tawa

Model: METAL PLUS ACDC400P Welding Machine

Product Overview:

The ACDC400P Welding Machine is a versatile, industrial-grade solution designed for precision welding across various metals, including aluminium, stainless steel, copper, and carbon steel. Its advanced MOSFET-based inverter technology ensures efficient and stable performance, making it ideal for applications requiring high-quality welds.

Key Features:

- **AC/DC Pulse Functionality:** Enables seamless welding of both ferrous and non-ferrous metals, providing flexibility across diverse welding tasks.
- **High-Frequency Ignition:** Ensures quick and reliable arc initiation, enhancing welding efficiency.
- **Adjustable Pulse Frequency:** Offers control over heat input, resulting in precise and clean welds.
- **Pre-flow and Post-flow Gas Control:** Protects the weld area from oxidation, ensuring superior weld quality.
- **Digital Display Panel:** Provides real-time monitoring of welding parameters for accurate adjustments.

Specification	Details
Input Voltage	Three-phase 415V \pm 15%
Frequency	50/60 Hz
Rated Input Capacity	11.3 KVA
No-load Voltage	62V
Current Adjustment Range	12-400A
Duty Cycle (at 40°C)	60%
Efficiency	85%
Power Factor	0.93
Insulation Class	H
Protection Class	IP21

ELECTRA KOKO TAWA WELD (P) LTD.

NOIDA-INDIA

UNIT: B-15 Sector-5 Noida

Reg. Office: 39, Shradhanand Marg, Delhi-06

Pulse Frequency Range	0.5-450 Hz
Downslope Time	0-10 seconds
Cleaning Width Adjustment	±5% (20-80%)
Duty Ratio	10-90%
Gas Post-flow Time	0-10 seconds
Net Weight	35.5 kg
Dimensions (L×W×H)	609×332×622 mm

Applications:

The ACDC400P is suitable for high-end non-ferrous metal welding, aluminium alloy fabrication, fitness equipment manufacturing, and pipeline installations. It's particularly effective for all-position welding tasks that demand superior weld formation.

Standard Accessories:

- TIG Welding Torch
- Ground Clamp with Cable
- Gas Hose
- Gas Regulator + Flow Meter

Optional Accessories:

- Welding Helmet
- Protective Gloves
- Welding Cart

Why Choose Electra Koko Tawa's ACDC400P?

Our ACDC400P Welding Machine combines cutting-edge technology with user-friendly features, ensuring optimal performance for professionals in the welding industry. With a commitment to quality and customer satisfaction, Electra Koko Tawa delivers reliable and efficient welding solutions tailored to your needs.
